

FREE, NO-OBLIGATION REVIEW

What's your

PERSONAL INJURY

portfolio worth?

FREE

A/R AUDIT

no cost • no obligation

You may be sitting on more value than you think. IPV will review your personal-injury receivables and show what capital you could unlock — no cost, no obligation.

FROM REVIEW TO FUNDED

1 Share your A/R

Send a summary — aging, mix and volume.

2 We value it

We model what capital you could access now.

3 You choose

Advance or outright sale — keep the upside that fits.

Advance

Cash up front against your A/R — keep the balance you collect.

Sell

Move the receivables off your books in one transaction.

Days

Liquidity in days, not months or years.
